A SMALL PROJECT, THOUGHTFULLY MADE

Make room for a good idea.

The idea

Build a useful workspace from small, reusable pieces.

The people

Make it readable, keyboard friendly and comfortable on a phone.

The shape

Start with a clear task, a short form and helpful feedback.

Give the details a little care.

Before sharing

Check navigation, forms, errors and actual file downloads.

When it moves

Let people choose when media plays. Keep text alternatives.

What stays

A product supplies its own accounts, services and durable data.
